PROFESSIONAL SUMMARY

Motivated Electronics and Communication Engineering student with hands-on experience in software technologies, IoT, and cloud systems. Skilled in Python, Java, embedded and full-stack development, with strong problem-solving abilities, teamwork skills, and national-level recognition for innovation.

TECHNICAL SKILLS & INTERESTS

Programming: C, Python, Embedded C

Web: HTML, CSS, JavaScript, React.js, Tailwind CSS

Developer Tools: VS Code, Git

Core Concepts: OOPS, DBMS, Computer Networks

Soft Skills: Communication, Analytical Thinking, Logical Reasoning, Team Collaboration, Adaptability, Self-Learning.

Interests: Software, AI, IoT & Embedded Systems, Cloud/Data Analytics, Web Technologies

EDUCATION

PSCMR COLLEGE OF ENGINEERING AND TECHNOLOGY

Bachelor of Technology

Electronics and Communication Engineering CGPA: 7.5

Vijayawada, India

Sept 2022 – Mar 2026

CGPA: 7.5

VIJAYA JYOTHI JR. COLLEGE

Intermediate, BIE

Jul2020 – May 2022

Marks: 680/1000

VIJNANA VIHARA ENGLISH MEDIUM SCHOOL

SSC

May 2020

Marks: 480/600

EXPERIENCE

1.SMART INDIA HACKATHON 2024

Team Member

Dec2024Bhopal

- Worked in a 5-member team to develop a portable IoT-based microbial detection device for milk, integrating multiple hardware modules
- Contributed to PCB prototyping, sensor integration, embedded programming, and cloud-based visualization.
- Presented the project to industry experts and jury panels, earning national recognition for innovation

2.Virtual Internships & Job Simulations

Intern

Sep 2024 – Nov 2025

- Analyzed datasets using exploratory data analysis to identify trends, data quality issues, and risk indicators.
- Helped develop a no-code predictive analytics model for customer delinquency risk, ensuring ethical use.

3.SkillDzire

Intern

2024 – Jun 2024| Remote

- Developed embedded system prototypes for real-time health monitoring and home automation using ESP32.
- Performed sensor interfacing, microcontroller integration, and functional as well as field-level testing.
- Conducted functional validation and field-level testing to ensure accuracy and stability.

4.South Central Railway – Women’s Welfare Organisation (Regd) Intern

May 2025 -July 2025| Vijayawada

- Acquired practical exposure to railway signaling infrastructure and train communication protocols.
- Supported inspection, fault diagnosis, and routine upkeep of signaling systems and railway communication networks.

PROJECTS

Real-Time Milk Microbial Detection

Smart India Hackathon 2024

- Developed a cost-effective, portable IoT device for real-time microbial contamination detection in milk using conductivity analysis with temperature compensation
- Implemented Node MCU based hardware, integrating conductivity, temperature sensing, and Thing Speak cloud for remote monitoring and data trends.
- Validated system performance through live testing at Smart India Hackathon 2024, achieving ~75%.

IoT Smart Home Security System

- Implemented a secure smart home solution using ESP32 and multiple sensors, incorporating AES/TLS encryption and MQTT-based communication.
- Developed real-time sensor data acquisition and control logic for smart home automation.

Binance Futures Trading Bot

- Built an automated trading bot in Python using the Binance API to execute real-time futures trades.
- Integrated technical indicators and algorithmic trading strategies to enhance decision- making.
- Utilized data analysis and automation workflows to improve trade execution speed and efficiency.

CERTIFICATIONS

- Oracle Cloud Infrastructure 2025 Foundations Associate
- Coursera – 101 DSA
- Top 1% in TCS Code Vita Screening Round (2025)
- Programming Fundamentals (Python) — Infosys Certification

ACHIEVEMENTS

- **National Winner – Smart India Hackathon 2024**
- **Winner – Mind Sprint 2025 National Hackathon**
- Selected Innovator – Future Founders Program 1.0, RTIH (Ongoing)
- Organized “Black Box” event with 1500+ participants during college tech fest
- Active participant in national hackathons and hardware challenges
- Represented college in national-level logical and problem-solving competitions

DECLARATION

I hereby declare that the above information is true to the best of my knowledge.
